## VINEYARDS

**The Ridge Vineyards' Monte Bello Tasting Room is very pleased to announce that we are now taking reservations for mid-week visits!\***

Monday through Friday, between the hours of 11 am and 4pm, we are pleased to offer private hosted tastings in the Monte Bello Tasting Room. These tastings are a lovely, intimate, and educational opportunity to taste Ridge wines in the private company of your guests, with a Ridge staff member exclusively available to your group.

Private hosted tastings are subject to schedule availability, and require an advance reservation that is confirmed no later than 24 hours prior to the time of arrival.

We offer a wide array of hospitality options to ensure that your party enjoys the best possible wine experience. Detailed information about wines, culinary pairings, and pricing will be sent in response to reservation requests.

To submit a reservation request, please send an e-mail to [reservations@ridgewine.com](mailto:reservations@ridgewine.com), and a Ridge staff member will contact you shortly. Please note, a reservation is not confirmed until you've received an e-mail confirmation from a Ridge staff member.

We look very forward to hosting you at Ridge Monte Bello!

\*(Please note, we cannot host "drop-in" visitors midweek; you must have a confirmed advance reservation to visit Ridge Monte Bello on a weekday.)
