## ATP Advance Tasting Program

The ATP is a logical extension of Ridge's long-standing dedication to single-vineyard winemaking. Our interest in individual sites, regardless of size, has led us to produce some wines in quantities ranging from 5 to 55 barrels. Since 1978, these have been released exclusively through the ATP. A typical year might include a syrah, a grenache, an old-vine carignane, and several zinfandel field blends. ATP gives members the opportunity to experience rare and unique wines from California's finest historic vineyards.

## Z LIST

Z List members receive our flagship zinfandels automatically, twice a year. Your Ridge zinfandel vertical will never lack a vintage. Geyserville, Paso Robles, and East Bench are sent in spring—Lytton Springs, Pagani Ranch, and York Creek in fall. Z List membership is ideal for the zinfandel devotee who appreciates site-specific, artisan wines.
