2013 Petite Sirah, Lytton Estate, bottled 3/15

Warm weather through the growing season and aggressive thinning led to early ripening, and, atypically, harvesting petite sirah before zinfandel. To manage the extra concentration of lower yields, we limited pump overs, and kept press wines separate. This is one of the most structured petite sirahs we have made from Lytton Estate. Sixteen months in American oak added spice and complexity to the dark, layered fruit. Full bodied but balanced, the wine will develop over the next ten years. JO (12/14)

Ingredients: Hand harvested, sustainably grown grapes; indigenous yeasts; naturally occurring malolactic bacteria; tartaric acid; oak from barrel aging; minimum effective SO₂. PD (12/14)
