2011 Petite Sirah, Lytton Estate, bottled 2/13

This wine comes from a block of vines on a rocky knoll at Lytton Springs West. As grape varieties go, petite sirah is not hard to understand. It's King Kong. The trick, therefore, once it's harvested and in the winery, is to find its softer side and coax out some of the light-hearted elements that lurk within. In 2011, we think we achieved just that. After a whole berry, natural yeast fermentation, the wine was aged for fourteen months in american oak. Floral, peppery, and enjoyable now, this limited release will be best over the next ten years. JO (12/12)

Ingredients: Hand harvested, sustainably grown grapes, indigenous yeasts, naturally occurring malolactic bacteria, minimum effective SO₂. PD (12/12)
