ATP 40TH ANNIVERSARY

2017 MARKS THE 40TH YEAR OF OUR ADVANCE TASTING PROGRAM

ATP is California's original wine club with its roots dating all the way back to 1977. Since the beginning, the ATP program has provided a small group of loyal customers the unique opportunity to gain access to extremely limited wines from distinctive vineyards throughout Northern California.

We have always believed that great wine comes from great vineyards; expressing an unmistakable sense of place; best achieved through natural, non-interventionist winemaking practices. Thank you for being part of the Ridge family, and we look forward to celebrating this significant anniversary with you throughout the year.

TELL US YOUR STORY

Whether you have been in the ATP program from the beginning or have just recently joined, we would love to hear from you! Tell us what your experience has been like being a member and your thoughts on our wines over the years. We look forward to hearing from you!

RIDGE
VINEYARDS

SPRING 2017

RIDGE
VINEYARDS

Exceptional single-vineyard wines since 1962

RIDGE 2014 LYTTON ESTATE® PRIMITIVO

95% PRIMITIVO
5% CARIGNANE

Winemaker's Notes: At Lytton West in 2004, Ridge planted a parcel of primitivo, a zinfandel clone from the Puglia region of Italy. After two years of heavy yields, the vines set a light crop that ripened evenly but quickly. When fermented, it was apparent this was the most structured, full-bodied primitivo we have produced. To enhance acidity and balance tannins, we included some carignane. Approachable now, this excellent wine will evolve over the next five to six years. JO (10/15)

RIDGE 2015 BUCHIGNANI RANCH CARIGNANE

100% HILLSIDE GROWN,
OLD VINE CARIGNANE

Winemaker's Notes: The hot, arid conditions of northern Sonoma County are ideal for growing carignane. The 2015 growing season began early and for the first time we picked all five vineyard parcels by September 1st. After fermentation we tasted each lot and selected the House and Front blocks for their bright fruit and elegant tannins. Enjoyable now, this fine carignane will continue to develop over the next four to five years. JO (8/16)

RIDGE 2014 CARMICHAEL ZINFANDEL

82% ZINFANDEL
18% PETITE SIRAH

Winemaker's Notes: Despite continued drought, the vines carried a large crop. Warm summer weather fully ripened the grapes for a mid-September harvest. Submerged-cap fermentation provided excellent tannin extraction. Three parcels, containing a mix of zinfandel and petite sirah vines planted in clay sub-soil, were combined. The wine aged for fifteen months in two- and four-year-old american oak barrels. Appealing now, it will be enjoyable over the next five to six years. EB (11/15)

OPTIONAL SHIPMENT

RIDGE 2014 BOATMAN™ ZINFANDEL

96% ZINFANDEL
4% PETITE SIRAH

Winemaker's Notes: This is our first release from Boatman Ranch. In the 1980s, Tim Boatman planted fifteen acres of zinfandel on the hillsides surrounding his house. The rocky, east-facing terraces produce intense, concentrated fruit. Seven small vineyard blocks were harvested and fermented separately, and we selected Jake's, Water Tank, and Wiley's Terrace for this wine. Enjoyable now, it will evolve over five to six years. JO (9/15)
