Z LIST
SPRING 2017

RIDGE 2015 EAST BENCH[®] ZINFANDEL

100% ZINFANDEL

Winemaker's Notes: This is our tenth vintage from this vineyard. A light crop with small berries yielded a wine with deep color, intense fruit and chalky tannins. The seven parcels that comprise the vineyard were fermented separately, then evaluated by blind tasting. Quality was high in all seven lots, which were blended, then aged in american oak for twelve months. Enjoyable now, this zinfandel will develop for another six to seven years. JO (8/16)

RIDGE 2015 PASO ROBLES ZINFANDEL

100% ZINFANDEL

Winemaker's Notes: Continued drought weakened vine growth while storms at bloom cut yields in half. A fast-paced harvest began August 22nd and finished the 25th. Fermented for seven days, the wine is elegant yet structured. Once malolactics finished, the blend of the two major parcels was racked to barrel. It clarified naturally while tannins softened. This appealing zinfandel will develop fully over the next five to six years. EB (11/16)

RIDGE 2015 GEYSERVILLE[®]

70% ZINFANDEL
15% CARIGNANE
12% PETITE SIRAH
3% ALICANTE BOUSCHET

Winemaker's Notes: A warm winter brought bud-break in February. Rain during bloom reduced yields, followed by ideal summer weather, resulting in an early harvest. Thirty-seven lots fermented separately, producing superb quality. A rigorous selection narrowed the assemblage to thirty-one for our fiftieth anniversary vintage. This sensuous wine came together beautifully during barrel aging. It will develop fully within the next twenty years. EB (11/16)

OPTIONAL SHIPMENT

RIDGE 2015 HOOKER CREEK ZINFANDEL

96% ZINFANDEL
2% ALICANTE BOUSCHET
2% PETITE SIRAH

Winemaker's Notes: Another dry growing season began early at this Sonoma Valley vineyard. Aided by early August heat, the field blend of zinfandel, petite sirah and alicante bouschet ripened quickly. We harvested on August 22nd, the earliest in the three years we have produced this wine. Ripe fruit and supple tannins make this zinfandel appealing now, it will continue evolving for another five years. JO (8/16)
