A mild winter brought early bud-break. Unfortunately, cold temperatures returned and storms swept through during bloom reducing yields. Summer's warmth hastened ripening for a September harvest. Grapes from twenty-four parcels fermented separately. Once barrel malolactics finished, we made our first selection in January. In April three wonderful lots were added at the second assemblage. This elegant vintage, shows superb intensity. It will develop fully over the next thirty years. EB (3/17)

Ingredients: Hand harvested, sustainably grown estate grapes; indigenous yeasts; calcium carbonate; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO<sub>2</sub>. EB (3/17)
