 A mild winter resulted in early bud-break, but the return to cool weather in spring slowed vine growth. Summer warmth was offset by unseasonably cold nights and fog, resulting in greater acidity and firm tannins. Shortened fermentations helped balance the tannin structure. This wine combined lots with appealing fruit and elegance. Enjoyable now, this excellent vintage will reach full maturity within fifteen years. EB (4/18)

Ingredients: Hand-harvested sustainably grown grapes; indigenous yeasts; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂.
