VINEYARDS

WINTER 2019

RIDGE
VINEYARDS

Exceptional single-vineyard wines since 1962

RIDGE 2016 BOATMAN ZINFANDEL

100% ZINFANDEL

Winemaker's Notes: Following an early bud break, these 35-year-old head trained vines set a modest crop. This is one of the few wines we produce from 100% zinfandel. The grapes were picked and fermented as separate parcels. We chose the Apple Tree and Front blocks for their depth of fruit and Wiley's Terrace to add structure. This fine zinfandel is approachable as a young wine and will develop fully over five to seven years. JO (8/17)

RIDGE 2016 CARMICHAEL ZINFANDEL

88% ZINFANDEL
12% PETITE SIRAH

Winemaker's Notes: Despite a fifth winter with little rain, the clay soils at Carmichael held the water, sustaining the vines through the summer. Harvested mid-September, zinfandel and petite sirah grapes were crushed together for co-fermentation. The two complemented each other, and made a beautifully complex wine with elegant tannins. It has immediate appeal, but will continue to develop over the next four to six years. EB (3/18)

RIDGE 2015 MAZZONI HOME RANCH

72% ZINFANDEL
22% CARIGNANE
6% PETITE SIRAH

Winemaker's Notes: This beautiful, century-old vineyard, north of Geyserville, suffered the drought's worst effect on yields. The oldest vines were down seventy percent, while the younger terraced vines fared better. Harvested mid-August, eight parcels fermented separately. By taste, those showing greatest vineyard character were combined. Seventeen months' time in barrel has complemented the wine's rich fruit. It will be at its best over the next six years. EB (2/17)

OPTIONAL SHIPMENT

RIDGE 2016 DEMOSTENE RANCH

50% ZINFANDEL
50% CARIGNANE

Winemaker's Notes: Unlike the many field blend zinfandels we produce, this 95 year old vineyard is planted to one-half zinfandel and one-half carignane. The low yielding zinfandel ripened quickly by September 1st. We returned a few days later to pick the carignane. After co-fermenting the two varietals, zinfandel contributes abundant red fruit; carignane provides bright acidity and modest alcohol. Our first release from this vineyard, the wine will evolve over six to seven years. JO (8/17)
