AN IDEAL LOCATION FOR ZINFANDEL

The gold rush of 1849 brought many fortune seekers to the area of Sonoma County now known as Healdsburg. Among them was the C.L. Lambert family, after whom the nearby Lambert Bridge is named. The ranch, five miles northwest of the Healdsburg Square, stretched from the top of the mountains to the east, to the center line of Dry Creek Valley to the west.

The Lamberts built a large and beautiful Gothic Revival house on their new homestead. The arrival of the railroad in 1871 allowed the Lambert and surrounding ranches to flourish. Prohibition (1920-1933) created chaos in the wine industry. Over the years, parts of the ranch were sold off.

The Manoukian family purchased the Gothic Revival home, now sunken into total disrepair, and the surrounding 4.5 acres in the late 1990s, quickly re-planting the historic property to three acres of zinfandel from the old Mazzoni clone. Located in the middle of Dry Creek Valley, the deep, extremely well-drained soil, in combination with the warm, west-facing slopes of this upper benchland make this site an ideal location for zinfandel.

RIDGE
VINEYARDS

RIDGE 2017 LYTTON SPRINGS

74% ZINFANDEL
15% PETITE SIRAH
9% CARIGNANE
2% MATARO

Winemaker's Notes: A season of extreme weather began with heavy winter rains that replenished the water table. The vines rebounded with a full crop, but record high temperatures in July and August reduced yields, especially in the petite sirah. This concentrated flavor and color, and after 14 months in barrel, the wine is exceptionally rich and complex. It will develop more fully over the next ten years. JO (11/18)

RIDGE 2017 PAGANI RANCH ZINFANDEL

84% ZINFANDEL
7% PETITE SIRAH
7% ALICANTE BOUSCHET
2% MATARO

Winemaker's Notes: Heavy winter rains and a warm spring created ideal growing conditions. To even ripening, we dropped a third of the crop in the young vines. Always the last zinfandel vineyard we harvest, 2017 was no exception. We picked the young vines October 3rd and the old vines four days later. Incredible concentration from the old vines and the bright acidity typical of this vineyard make this wine enjoyable over the next ten years. JO (8/18)

RIDGE 2017 PONZO™ ZINFANDEL

98% ZINFANDEL
2% PETITE SIRAH

Winemaker's Notes: This vineyard, in the cool Russian River Valley, set a full crop that ripened evenly despite a heat spike in late August that caused sugars to rise rapidly. We harvested all three vineyard blocks by September 9th, three weeks earlier than usual. The old vines contribute depth and richness; the young vines add elegant, layered fruit. Enjoyable upon release, this sumptuous zinfandel will develop over the next five years. JO (5/18)

FIRST EVER BOTTLING

OPTIONAL SHIPMENT

RIDGE 2017 RANCHO LAMBERT ZINFANDEL

95% ZINFANDEL
5% PETITE SIRAH

Winemaker's Notes: This is our first release from this small three acre vineyard. Perched on the benchland of Dry Creek Valley, the twenty-year-old zinfandel vines have small, compact clusters. Seven days of fermentation extracted plentiful color and full, supple tannins. Fourteen months aging in american oak adds spice to the layered briary fruit. Approachable as a young wine, this exemplary zinfandel will develop with a further six to seven years of cellaring. JO (1/19)
