2018 Geyserville, bottled January 2020

Winter was dry, though storms in March brought significant rain. Summer remained cool, with warmth arriving just before harvest in mid-September. Fermentations took longer to fully extract color and tannin. Carignane and petite sirah showed exceptional quality, particularly when co-fermented within the old vine zinfandel parcels. This sensuous wine, with its rich fruit and wonderful complexity, will be enjoyable over the next twelve years. EB (10/19)
