2018 Petite Sirah, bottled April 2020

This is our tenth vintage of petite sirah from Lytton Estate. The majority of the fruit comes from the clay-rich soils at Lytton West. Here, petite sirah thrives, producing small-berried clusters with intense color. All of the grapes were destemmed but left to ferment as whole berries to manage tannins and enhance fruit. This full-bodied wine will age nicely over the next fifteen years. JO (12/19)

Ingredients: Hand-harvested estate grown grapes; indigenous yeast; naturally occurring malolactic bacteria; oak from barrel aging; SO<sub>2</sub>.
