2018 Lytton Springs, bottled January 2020

After several early harvests, 2018 began on September 4th, a more typical start-date for Sonoma County. Natural yeast fermentations were slow but steady. Color and tannin were plentiful after just three days of maceration. To manage tannin extraction, we limited pump-overs to once a day for all petite sirah and many zinfandel lots. While approachable as a young wine, this full, rich zinfandel will age beautifully for at least ten years. JO (11/19)

Ingredients: Hand-harvested grapes; indigenous yeast; tartaric acid; naturally occurring malolactic bacteria; oak from barrel aging; SO₂.
