122 tons from 44.8 acres

2019 Estate Cabernet Sauvignon, bottled 7/21

A cool, foggy spring delayed budbreak, but warm weather during bloom created ideal conditions for the vines to set a full crop. To maximize extraction pumpovers were extended during fermentation. At assemblage, eighteen parcels were chosen for their alluring fruit and elegant tannins. After sixteen months of aging, the oak has integrated and the wine has begun to soften. It will continue to evolve and be most enjoyable over the next ten to fifteen years. JO (6/21)

Ingredients: Hand-harvested, estate grown grapes; indigenous yeasts; naturally occurring malolactic bacteria; egg white; oak from barrel aging; minimum effective SO₂.
