

RIDGE 2019 LYTTON ESTATE PETITE SIRAH

100% PETITE SIRAH SONOMA COUNTY DRY CREEK VALLEY
14.3% ALCOHOL BY VOLUME

HISTORY

The oldest petite sirah vines on our Lytton Estate were planted in 1901 and the youngest in 2008. We made our first wine from the property in 1972. In 2002, we began bottling portions of the petite sirah as a separate wine for a limited release, up until then it had always been included in the Lytton Springs Zinfandel. In 2003 we made another limited release and in 2009 our first national release.

2019 Petite Sirah, bottled April 2021
Petite sirah is a close relative to syrah. Like syrah, it is a dark colored grape that yields wines with floral aromas, deep color and full, rich tannins. To moderate tannins, we fermented the grapes de-stemmed, as whole berries. Aging in twenty-five percent new oak over sixteen months has softened the wine. Built to age, it will be enjoyable for the next twelve to fifteen years. JO (3/21)
