2020 Lytton Springs, bottled January 2022
Plentiful rain in early November and December subsided by January. Late spring rains during flowering reduced fruit set across all varieties, especially petite sirah. Thirty-eight blocks were picked at ideal ripeness over four weeks from August to September. Of these, twenty-six were selected for their rich black fruit and perfectly balanced structure. This classic Lytton Springs will be enjoyable over the next ten years. JO (11/21)

Ingredients: Hand-harvested grapes; indigenous yeast; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂.
