2020 Three Valleys, bottled March 2022

Winter rains began early in Sonoma County but ended abruptly leading to the first of two drought years. The vines responded with lower yields and smaller berries. Inclusion of five percent alicante adds color and depth. Enjoyable now as a young wine it will develop fully over the next five years. JO (1/22)

Ingredients: Hand-harvested grapes; indigenous yeast; naturally occurring malolactic bacteria; tartaric acid; oak from barrel aging; minimum effective SO₂.
