

HOSTING EVENTS AT MONTE BELLO

First planted in the late 19th century, the Monte Bello property has long been one of the most storied viticultural sites in all of California's vast wine country, and its signature offering, the Ridge Vineyards Monte Bello, is one of the most highly-regarded wines in the world.

Nestled high up in the northern reaches of the Santa Cruz Mountains, and surrounded by beautiful and historic vineyards, our Monte Bello location offers guests an unparalleled opportunity to experience exceptional single-vineyard wines and outstanding hospitality. Private tastings and events are available by appointment only. At 2,300 feet, wine never tasted better!
