Vineyard Production
Yields, Monte Bello Parcels:
76.4 tons from 66 acres

2020 Monte Bello, bottled June 2022

Mild temperatures in March prompted an early bloom that coincided with the spring rains. This resulted in a smaller crop that, accompanied by more summer fog than usual, allowed for slow, steady ripening into September. After assembling thirty-six of fifty-eight lots, the wine was returned to barrel for a further twelve months. As a classic Monte Bello, it will benefit from a decade of aging and develop over another twenty years. JO (5/22)

Ingredients: Hand-harvested, estate grown grapes; indigenous yeast; naturally occurring malolactic bacteria; oak from barrel aging; SO₂.
