2021 Lytton Springs, bottled January 2023

A dry winter left the vines struggling to find water. This reduced fruit set in all varietals, especially zinfandel. Thirty-eight parcels were harvested from September first to October fifth and fermented separately. Thirty-four were selected, including vines planted in 1901 and eighty-year-old counoise inter-planted with cinsaut. Enjoyable now, this beautiful, complex wine will continue to develop over the next ten years and beyond. SR (11/22)

Ingredients: Hand-harvested, organic grapes; indigenous yeast; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂.
