2022 Grenache Blanc, bottled May 2023
Fourteen miles inland, this unique growing area creates conditions well suited to grenache blanc. The grapes were whole cluster pressed, fermented dry, and aged on the lees for six months. Cool summer fogs off the Pacific, the minerality of limestone soils, and the spice and bright acidity of the picpoul have provided an enticing wine. It will be most enjoyable over the next four to five years. TG (3/23)

Ingredients: Hand-harvested grapes; indigenous yeast; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂.
