2022 Estate Chardonnay, bottled 1/2024

A dry, warm growing season resulted in reduced yields with small berries and concentrated flavors. We picked nine parcels over a two-week period from late August to early September. The grapes were pressed as whole clusters and barrel fermented as separate lots. The next summer, after malolactics finished, they were combined for this fine chardonnay. It will be most enjoyable over the next five to six years. TG (10/23)

Ingredients: Hand-harvested, estate grown grapes; indigenous yeast; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂.
