2022 Lytton Springs, bottled January 2024
An early spring and mild weather contributed to a uniform but moderate set. A May frost reduced yields in some blocks, but due to variance in bud break, most of the vineyard was spared. Rich fruit, ample acid, and firm tannin showcase the balance and quality typical of this exceptional vineyard. Approachable even as a young wine, this classic zinfandel will continue to evolve over the next ten to fifteen years. SR (11/23)

Ingredients: Hand-harvested, organic grapes; indigenous yeast; naturally occurring malolactic bacteria; tartaric acid; oak from barrel aging; water; minimum effective SO₂.
