46% Adelaida Vineyard
2% Halter Ranch Vineyard

2023 Grenache Blanc, bottled April 2024
Limestone soils and proximity to the Pacific provide ideal growing conditions for grenache blanc to thrive. The grapes were pressed as whole clusters, fermented, and then aged on the lees for six months. The wine has great concentration, bright acidity, and appealing minerality. This delightful wine is enjoyable now or can be aged for four to five years. TG (2/24)

Ingredients: Hand-harvested grapes; indigenous yeast; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂.
