Monte Bello Vineyard
Yields, Estate Cabernet Parcels:
75 tons from 42 acres

2023 Estate Cabernet Sauvignon, bottled 6/25
Heavy winter rains ended our three year drought. Due to an unusually cool growing season, harvest was late; beginning in October and not finishing until mid-November. We extended fermentations to better extract full color while balancing the tannins and firm acidity. In tasting we selected the most approachable lots from the Monte Bello vineyard for the Estate. This appealing vintage will be at its best over the next fifteen years. JO (4/25)

Ingredients: Hand-harvested, organic, estate grapes; indigenous yeast; naturally occurring malolactic bacteria; calcium carbonate; oak from barrel aging; minimum effective SO_2.
