2025 Heringer Chenin Blanc, bottled 12/25
Clarksburg has come to be recognized as a remarkable location to grow chenin blanc in California. Warm days are cooled by an afternoon breeze from the southwest, carrying brisk air from the Pacific Ocean. Summer temperatures allowed the grapes full maturity at lower levels while preserving firm acidity. Brief skin contact before fermentation enhanced aromatic complexity. Enjoyable now, it will develop further over the next four years. SR (11/25)

Ingredients: Hand-harvested grapes; indigenous yeast; naturally occurring malolactic bacteria; minimum effective SO_2.
